FOOTPRINTFESTIVAL

Step into the Future. Together.

Footprint Festival is a two-day experiential and immersive sustainability festival set on a working farm in the heart of the Hampshire countryside. Created for senior leaders across foodservice and hospitality, both cost and profit sector; this one-of-a-kind event blends sensory experiences, transformative content, powerful networking, and unforgettable entertainment.

Join us as we explore bold solutions to build a sustainable, equitable, and future-proof industry.

About Footprint Festival

A Farm-Based Festival of Ideas, Innovation & Impact

Expect inspiring and sensory-rich experiences designed to unlock new thinking and accelerate collaboration across the sector.

- Keynotes from trailblazers shaping the future of food, drink, and hospitality
- Dynamic industry panels featuring operators, suppliers, policymakers, and innovators
- Immersive workshops & breakouts that get into the detail behind real change
- Networking woven throughout—from field to firepit
- Incredible food & drink experiences, showcasing sustainable producers, wild foods, and low-carbon cooking
- Evening events under the stars, with music from folk to house
- A festival environment like no other—deeply connected to nature, powered by sustainability principles

Mission & Vision

Mission

To inspire, educate, and connect foodservice and hospitality professionals—and to elevate and accelerate the path to a more sustainable sector in a complex world.

Vision

To become the UK's leading sustainability festival for the sector—where bold ideas spark impactful partnerships, break down competitive barriers, and fuel the solutions of tomorrow.
